## EDUCATION

B.Sc. Computer Science

**Tai Solarin University of Education**

📅 2017 - 2024 📍 Ijebu Ode

## EXPERIENCE

Frontend Engineer

**Freelance/remote**

📅 2024 - Present 📍 Lagos, Nigeria

Creating intuitive and responsive digital experiences for clients across various industries.

- Developed and deployed 10+ responsive websites using HTML5, CSS3, and JavaScript-improving client engagement by over 40%.
- Transformed static designs into dynamic interfaces using modern frameworks and tools.
- Collaborated with UI/UX designers to implement visually appealing, user-friendly features.
- Optimized websites for performance and accessibility across all modern browsers and devices.
- Maintained version control using Git and GitHub for project collaboration and code management.

## PROJECTS

Portfolio Website

📅 2025 - Present 📍 Lagos, Nigeria

Short Summary

- Designed and built a responsive and professional portfolio to showcase skills, tech stack, and projects using HTML, CSS, and JavaScript. Focused on clean layout, accessibility, and performance.
- <https://senzy01.github.io/Portfolio/>

Behind The Smile

📅 2025 📍 Lagos, Nigeria

Short Summary

- Developed a mental health awareness landing page using HTML5 and CSS3, aimed at creating emotional connection through minimal yet impactful design. Optimized for all devices and deployed via GitHub Pages.
- <https://senzy01.github.io/behindthesmile/>

My Elite World

📅 2025 📍 Ibadan, Nigeria

Short Summary

- Built a dynamic and motivational web experience focused on self-development and elite mindset transformation. Structured for accessibility, mobile responsiveness, and clarity. Showcases clean semantic HTML and modern CSS styling.
